

St. Croix International Quilters' Guild

If you have questions or need a piece of the challenge fabric, call Joanne Spencer (506) 466-4775 or Dana Bard (207) 853-0729

"Autumn Splendor" CHALLENGE

Guidelines

1. The overall design and method of assembly—hand or machine pieced or appliquéd or a combination of techniques—is your choice as long as there is a paper-pieced element somewhere in your design.
2. The challenge fabric (shown above) must be worked into your general design and be on the front.
3. You are allowed to add other fabrics of your choice to complete the wallhanging.
4. There must use some embellishment on your wallhanging.
5. The quilt can be any size, but no larger than 18" x 18".
6. The work should be hand or machine quilted and bound—completely finished.

DUE DATE: The Guild's September 2010 business meeting

*Challenge quilts will be displayed at our quilt show
on September 24 & 25, 2010, for viewers' choice judging.*

You have the theme, you have the fabric; you have the challenge; have fun!

Good luck and enjoy the challenge of creation.
