

# Hot Iron Caddy and Pressing Mat

Great for Classes and Retreats!

Use it as an ironing mat...

Unplug your iron. Draw up the mat around it into a neat carry bag. Carry it home. No need to wait while it cools!

All standard and smaller irons fit in this carrier.  
Ironing mat dimensions: 20" x 28"  
Skill Level – Intermediate

## **Materials Needed:**

**$\frac{2}{3}$  yard quilted heat-resistant silver ironing board pad** with cotton batting attached—available at JoAnn Fabrics

**1  $\frac{1}{4}$  yards 100% cotton fabric** (this will be the outside of your caddy)

**3 yards 100% cotton cording**  $\frac{3}{16}$ " –  $\frac{3}{8}$ " diameter (some of us used  $\frac{6}{32}$ " cotton filler cord that is normally used for the inside of welting—available at JoAnn Fabric and Wal-Mart stores)

**Light gray thread**

**Thread to match fabric**

*NOTE: It is important to use all cotton materials as the heat of the iron will melt synthetics.*
